The field trip was an opportunity to meet and strategize with Panzi Foundation staff and partners and to see Synergie's work first-hand. Aude visited the office in Goma, the village in Kibumba, where Synergie supports a community of women victims of sexual violence, and Bulengo, where Synergie has a Women's House. A video was recorded during the trip to give donors a virtual tour of Synergie's work.

Women in Kibumba supported by Synergie, North Kivu, August 2014
